

How do you compare?

The past seven years have seen **Bandag** reward **excellence** in **on-site tyre management** through the **Bandag On-Site Awards**.

Those using our **revolutionary online** tyre management system will be familiar with the checks and balances in place to ensure the **service** you receive is not only reported on, but done so in a way that is quantifiable. The terms, **ProTurbo** Fleet Inspection, **ProOosta** Scrap Tyre Analysis, **ProWheel** Tyre Tracking and of course, **ProFleet** Tyre Management have become synonymous with our commitment to fleet operators.

These are tools used to manage tyres and measure the services received by the many fleets currently utilising **Bandag's National Fleet Programme**. **Bandag** is pleased to announce the Grand Finale Winners for the last financial year, with each team taking away **R5000** in cash!

Fleet	Category	Site Audit Score
Imperial Logistics Refrigerated Services – Centurion	More than 1,000 rolling wheels	95%
Afrox Bulk – Pretoria West	Less than 1,000 rolling wheels	96%

Certain aspects of tyre management are non-negotiable and these are the very **core** elements that ensure **tyre life** is **prolonged**...

Tyres need to be **branded** so they are identifiable, tyre **pressure** needs to be checked & corrected and remaining **tread** should be at optimum levels to ensure casings can be retreaded and re-used. The graph alongside demonstrates the additional checks that make up Bandag's fleet audits. For instance, **a missing valve cap is as bad as a slow puncture**. Not fitting these will have a negative impact and is a basic discipline that is often overlooked.

Congratulations to the winning **Bandag** on-site teams for ensuring these basics are in place!

ILRS On-site Team

Afrox Bulk On-site Team

With Bandag, you don't have to be a tyre expert. You just have to know one!

Bandag specialises in the manufacture of retreads and best- in-class after sales service. That's what we do!

For more information on how you can benefit contact **Bandag** today on +27 11 439 6000 or visit www.bandag.co.za.

BRING IT ON!

With the reliability you get from Bandag, your fleet can take on anything.
