

Emergency Tyre Assistance down to an Art ...

Breakdowns can leave you dead in the water,
but you needn't be left for the sharks...

Bandag's Emergency Tyre Assistance (ETA) programme covers tyre breakdowns across South Africa 24/7, 365 days of the year ensuring a wide coverage, consistent on-road pricing but most importantly peace of mind.

ETA offers more than just a breakdown tyre...

With an infrastructure that has been built over more than 15 years, ETA has evolved into a professional service offering that gives the modern transporter:

- National toll free number – 0800 30 40 50
- SMS notifications
- Call recordings
- Next day incident reports
- Detailed monthly reports
- Proven service provider network
- Flexibility to customer requirements

Tyre breakdowns are totally undesired but with a solid backup plan, it needn't be painful. ETA is there to ensure total customer satisfaction by maximising uptime.

Bandag specialises in the manufacture of retreads and best-in-class after sales service.

That's what we do.
