

# Choose Bandag : EVERY TIME!

Bandag retreads are built on a passion for **quality, reliability** and **performance**. It should then come as no surprise that more and more fleet operators use **Bandag** retread tyres as the **benchmark** when it comes to tyre performance indicators.

A CPK calculation easily demonstrates the **Bandag** advantage that can be achieved when fitting premium **Bandag** retreaded tyres in your fleet. While the initial purchase price of a **Bandag** retread tyre is higher than most alternatives, the long term cost benefit is substantial.

No matter how you look at it... **RETREADING** is a cost effective, environmentally friendly solution! Implement **Bandag's** Retreading Programme and **SAVE** even more!

Fundamental to achieving an optimum CPK the following elements are critical...

- **Select the right casing** – buy new tyres with a higher retreadability ratio.
- **Proper casing management** – focus on maintenance.
- **Partner with Bandag** – extend the tyre's life cycle with a multiple retreading programme that meets global standards.

**With Bandag, you don't have to be a tyre expert. You just have to know one!**

Bandag specialises in the manufacture of retreads and best-in-class after sales service. That's what we do!
