

“Optimise your Fleet’s Tyre Costs”

When it comes to managing tyre operational costs, retreading remains the most cost-effective solution for your fleet. Don't be misled by focusing solely on purchase price – consider the total cost of tyre ownership. At Bandag, we're committed to delivering premium products that reduce tyre operating costs.

When you choose Bandag, you also choose:

- Superior cost-per-kilometre performance
- Uncompromising quality
- Continuous benchmarking for improvement
- Innovative technology for reducing errors and improving productivity
- Ongoing investment in research and development
- Global expertise with local understanding
- Comprehensive cradle-to-grave tyre management

More Than Just a Retread

Bandag retreads are trusted worldwide because we offer more than just a retread. Our commitment to excellence ensures tyre cost containment and maximised value for your fleet.

With Bandag you don't have to be a tyre expert. You just have to know one!

Bandag specialises in the manufacture of retreads and best-in-class after sales service. That's what we do.
